Thanks Jim,

I'm going to have a subpoena faxed over to you today (it will be dated Monday 7/30 since that's the first day of trial, but obviously we will get you in on Tues 7/31). I already let Sonja know she can ignore the subpoena that was sent to her.

Best,

Cary

Hi Jim,

I was out of the office unexpectedly, and one of my cases got reassigned while I was out to a firm trial date of Monday, July 30. This is the case where we were planning to have Sonja testify as a substitute analyst for you. Whoever picked up the case here sent a new subpoena to Sonja, but obviously I'd rather have you testify if possible since you did the analysis. It looks like you're tied up on July 30, but possibly free on July 31? I expect my trial to go 2 days and we could

have you testify on Tuesday if you think that will work. If it looks like you'll be too busy perhaps I will do a motion to continue, or maybe we could see if Sonja is available Monday and/or Tuesday. Let me know what you think.

The case is Com v [REDACTED] Hampden Sup Ct [REDACTED]
Your cert #s are [REDACTED]

Best,

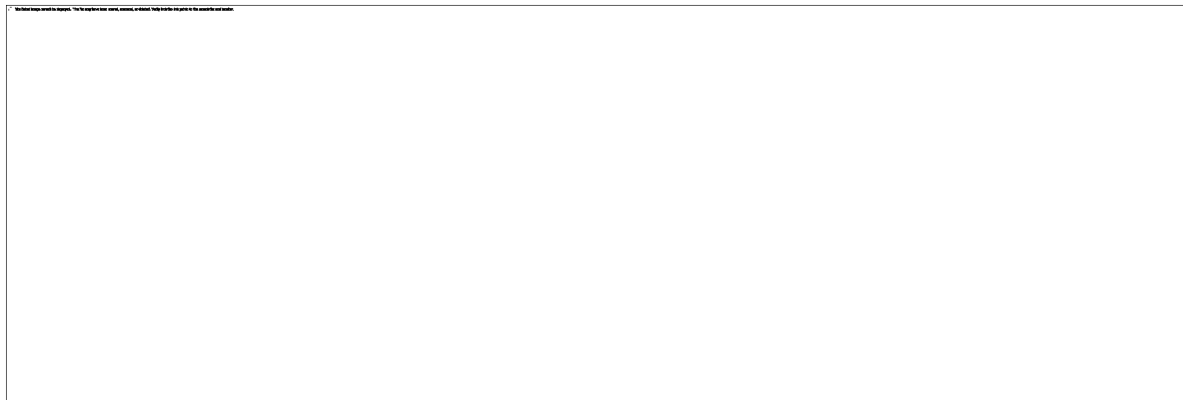

Cary
